

Cullman County Schools Policy Consent/Release Form Policy E.016

I have read the Cullman County Schools Board of Education Policy Statement and Procedures for drug testing of Activity/Driving Students and agree to abide by the Cullman County Schools Board of Education drug and alcohol tests at any time as a condition for my initial or continued participation in extracurricular activities. I authorize any laboratory or medical provider to release test results to the Board, its Medical Review Officer, and to school officials who have need to know. I authorize the Medical Review Officer (MRO) to release final test results to the Board.

I also expressly authorize the Board or its MRO to release any test-related information, including positive results:

- a. As directed by my specific, written consent authorizing release of the information to an identified person.
- b. To any decision maker in a lawsuit, grievance, or other proceeding initiated by or on behalf of me, or under compulsion of law.

I understand that this agreement in no way limits my right to terminate or to be terminated from extracurricular activity participation. Further, I understand that this form shall remain on file and will be active each year thereafter until the student and parent provide the principal notification in writing that the student is no longer participating in an activity subject to drug testing.
