## Another Pinnacle Moment

### Poetry Out Loud

Poetry Out Loud is a recitation competition that was created in 2006 by the National Endowment for the Arts and The Poetry Foundation. The contest was created to increase awareness in the art of performing poetry, with substantial cash prizes being awarded to winners from each of the fifty states, the District of Columbia, and the U.S. Virgin Islands. More than 300,000 high school students are expected to compete this year. Our winners and runners-up will now prepare for the regional competition at UAH on November 13th.
